Extra sauce .50 ea. (gf, p)

Hama Hama 3.50

Awesome beach grown beauty, with killer salinity. Grown by a rad family that are great stewards of the watershed that contributes to these being such a great oyster, a favorite.

Summerstone 3.50

Hama Hama's summer oyster, grown near Skunk Island. Classic Hama character - medium-sized shells, rich brine and long finish.

Hammersley 3.50

Tumbled small oyster from southern Puget Sound. Deep-cupped, meaty, full-flavored with mild brininess and a cucumber-mineral finish.

Olympia 5

These little buddies are the native west coast oyster. Huge flavor for such a small package. Rich notes of copper and mushroom, with a celery salt brine and a very lengthy finish on the palate.

Blue Pool 3.50

Hama Hama's tumbled oysters, grown just feet from the original Hama beach. Small, with a deep cup and bracing salinity, a cool way to see how the growing method affects the flavor.
